There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address:

## "SAVED MY LIFE"

—That's what a prominent druggist said of Scott's Emulsion a short time ago. As a rule we don't use or refer to testimonials in addressing the public, but the above remark and similar expressions are made so often in connection with Scott's Emulsion that they are worthy of occasional note. From infancy to old age Scott's Emulsion offers a reliable means of remedying improper and weak development, restoring lost flesh and vitality, and repairing waste. The action of Scott's Emulsion is no more of a secret than the composition of the Emulsion itself. What it does it does through nourishment—the kind of nourishment that cannot be obtained in ordinary food. No system is too weak or delicate to retain Scott's Emulsion and gather good from it.

We will send you a sample free.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

### Human Blood Marks.

A tale of horror was told by marks of human blood in the home of J. W. Williams, a well known merchant of Eac, Ky., He writes: "Twenty years ago I severe hemorrhages of the lungs, and was near death when I began taking Dr. King's New Discovery. It completely cured me and I have remained well ever since." It cures hemorrhages, Chronic coughs, settled colds and Bronchitis, and is the only known cure for weak lungs. Every bottle guaranteed by Oberdorfer, the druggist. 50c and \$1. Trial bottle free.

### Hospital Association.

The ladies of the Hospital Association will hold a meeting the last of the week with a full attendance of all those interested in the Paris Hospital work. Let this work be revived with increased interest our neighbor city of Cynthiana started the question there after we began and they will have a hospital in running order before Paris gets started good. No city in Kentucky needs a hospital like Paris does, and it is an institution that every one should take an interest in.

If some of our capitalists desire to build a monument that would stand to the end of time in memory of his name now is the time—talk to the ladies.

### Huge Task.

It was a huge task to undertake the cure of such a bad case of kidney disease, as that of C. F. Collier, of Cherokee, Iowa, but Electric Bitters did it. He writes: "My kidneys were so far gone, I could not sit on a chair without a cushion; and suffered from dreadful backache, headache and depression. In Electric Bitters, however, I found a cure, and by them was restored to perfect health. I recommend this great tonic medicine to all with weak kidneys, liver or stomach." Guaranteed by Oberdorfer, the druggist. Price 50c.

### Fortunate Missourians.

"When I was a druggist at Livonia, Mo.," writes T. J. Dwyer, now of Graysville, Mo., "three of my customers were permanently cured of consumption by Dr. King's New Discovery, and are well and strong today. One was trying to sell his property and move to Arizona, but after using New Discovery a short time he found it unnecessary to do so. I regard Dr. King's New Discovery as the most wonderful medicine in existence." Surest cough and cold cure and throat and lung healer. Guaranteed by Oberdorfer, the druggist. 50c and 1.00. Trial bottle free.

## Dangers of Defective Plumbing!

Defective plumbing permits the entrance into the house of sewer gas bearing germs of contagious disease to which the human system readily succumbs. Sewer gas is not necessarily generated in the sewer, but is frequently created in the plumbing system within the home and enters the apartments through defective fixtures. If in doubt consult us regarding the piping and repairing defective fixtures with "STANDARD" Porcelain Enamelled Ware, acknowledged as the best sanitary equipment.

### READ AND YOU WILL LEARN

That the leading medical writers and teachers of all the several schools of practice endorse and recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "liver complaint," torpid liver, or biliousness, chronic low affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their results, as bronchial, throat and lung diseases (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering, or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherry bark, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med. College; Prof. Hare, of the Univ. of Pa.; Prof. Pinley Ellingwood, M. D., of Bennett Med. College, Chicago; Prof. John King, M. D., late of Cincinnati; Prof. John M. Scudder, M. D., late of Cincinnati; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago, and scores of others equally eminent in their several schools of practice.

The "Golden Medical Discovery" is the only medicine put up for sale through druggists for like purposes, that has any such professional endorsement—worth more than any number of ordinary testimonials. Open publicity of its formula on the bottle wrapper is the best possible guaranty of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous or harmful agents and no alcohol—chemically pure, triple-refined glycerine being used instead. Glycerine is entirely unobjectionable and besides is a most useful ingredient in the cure of all stomach as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. This "Discovery" is a concentrated glyceric extract of native medicinal roots and is safe and reliable.

A booklet of extracts from eminent medical authorities, endorsing its ingredients mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y.

### Small Favors Thankfully Received

The Lexington Herald says the price of coal was reduced in that city yesterday. The decrease amounts to twenty-five to forty-five cents per ton. The drop in price is not the result of a reduction at the mines, because there has been none. The reason is that the dealers there now have a good supply on hand and more coal is coming in daily.

The greater part now reaching there comes from the Bell and Knox county fields over the Louisville & Nashville railway, and Eastern Kentucky over the Chesapeake and Ohio. Some coal is also coming in from the Lee county mines over the Lexington & Eastern. It is not expected that a further decrease in price will go into effect soon, unless there is a reduction at the mines.

### Farmers Frightened.

A special from Hopkinsville says: "The citizens of this section are in actual terror over the destruction of the two stemmers at Princeton by the masked mob last Saturday night. Receipts of tobacco here Monday and Tuesday were unusually heavy, a large part of it coming from the Princeton district."

The farmers who had sold their crops to the trust warehouses are seemingly filled with fear that their barns may be destroyed every night, and they are straining every nerve to deliver their tobacco before they are visited by the raiders. Some of the wagons which reached here in the last twenty-four hours had been traveling at night."

### Thomas Jefferson Tonight.

The most welcome theatrical news local playgoers have heard or read this season will doubtless be the announcement that Thomas Jefferson is coming to the Paris Opera House tonight! He will appear in his famous characterization of "Rip Van Winkle," in which he is inimitable, and with the perfect and delightful presentation of which his name has been distinguishedly associated for the past eight years. Over a million people have enjoyed Mr. Jefferson's skillful and polished acting in this role. There is more than art in Mr. Jefferson's Rip. His own winning personality is a distinct and powerful factor in it, all the heart, humor, tenderness, gentility and intellectual and artistic qualities of the man being charmingly interwoven with traits of the fictional hero. It is part in which one can see Mr. Jefferson a thousand times and get even greater satisfaction and enjoyment from the last performance than from the first. It is a part that woos you, that gets under your vest, as it were, and that acquaintance which only makes for a desire to enjoy it again and again results. Mr. Jefferson is playing it with the fervor and enthusiasm of his youth.

### Postmaster Robbed.

G. W. Fouts, postmaster of Riverton, Ia., nearly lost his life and was robbed of all comfort, according to his letter, which says: "For 20 years I had chronic liver complaint, which led to such a severe case of jaundice that even my finger nails turned yellow; when my doctor prescribed Electric Bitters, which cured me and have kept me well for eleven years."
